

21021 - MBM - FHT Mirror Panel Supervisor — Complete Kit

Revision: 01 | Creation Date: 2026-07-03 | Revision Date: 2026-08-11

Model:21021 | MBM

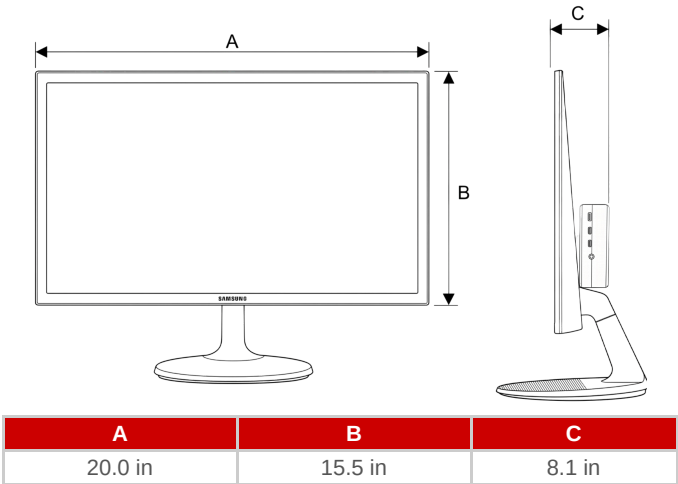

Application

The MBM Mirror Panel Supervisor allows an FHT Panel to be monitored and operated from a remote location, mirroring the same interface on an additional Full-HD screen. Suitable for indoor installation in commercial and industrial buildings.

Operation

The additional screen displays the FHT Panel's interface in real time, mirroring every alert, alarm, and operation.

Dimensions

Standard Features

- Mirror supervisor interface for FHT Panels — displays the same screen at a remote location.
- 5V DC, 3A power supply (included).
- Video connection via Mini HDMI (cable included).
- For indoor use.
